

## LUNCH CLUB ARRANGEMENTS

Dear parents

At Weaverthorpe Pre-school we promote healthy eating and we ask you to help us with this by providing healthy lunch boxes for your child. Our food and drink policy can be found in the policy book in the entrance hall and on Tapestry.

Here are some reminders regarding lunch club.

- All children are asked to have a clear plastic lunch box which is clearly labelled with your child's name on.
- Please do not provide drinks as water is always available.
- We are a nut free setting so please do not to pack nuts or any food containing nuts in their lunch box.
- Please provide your child with at least one portion of fruit or vegetables. Remember to cut small round fruit e.g. grapes and cherry tomatoes lengthways.
- Pre-School does not have facilities for warming up children's lunches.
- We provide cutlery so please don't send any in your lunch box.
- In the morning please allow your child to bring his/her lunch box into Pre-School to put on our green trolley in the entrance hall.

Thank you for your co operation.
